Calling all homesteading hopefuls and hobby farm enthusiasts! This acreage has endless potential. The 32x44 shop gives plenty of room to spread out. There is a 12x20 cabin, heated by wood-burning and gas, and another cabin with a greenhouse has laundry for those long days in the yard. Two bunkhouse-style buildings provide room for company. Beyond the outbuildings are older corrals and newer fenced areas and a livestock waterer. The remaining acres are used for pasture and a few bales. Among mature trees are mature fruit trees/bushes incl. pear, plum, several apple varieties and saskatoons. In the house, a massive primary bedroom has an exit to the west-facing deck. A 4-pc bath and 2nd bedroom complete the upper story. A wide staircase leads to a dining room with a fireplace. The kitchen has tons of light and an extended island. A 3-pc bath is on the way to a room that could be used as another bedroom/den/living room, with a 2-pc bath and a 3-season room perfect for anything you can dream.
